Dear Hiring Manager

Hello,

My name is Jefferson Gakuya and I would like to apply for the Software Engineer position. I have been involved in building software. This tenure has provided invaluable insight into the effective operation of developing and creating software solutions for a wide range of industries.

I have been involved in building software and understand the importance of time management and open communication. I have perfected my software engineering and programming abilities.

I am prepared to use my Software Engineer skills and experiences to develop and train software programs to improve functionality and companies' reputation using everything from Python, Javascript to managing lifecycles.

Please take a moment to review my attached [Jefferson Gakuya Portfolio](#) and my resume. I would greatly appreciate the opportunity to speak with you regarding my confidence.

Thank you for your time and consideration.

Yours Sincerely,

Jefferson Gakuya
